

## FIRST Tech Challenge (FTC) Sponsorship Program

Updated 9/6/2019

FIRST Tech Challenge (FTC) teams have 10+ student members in grades 7-12. FTC teams are challenged to design, build, program, and operate robots to compete in a head-to-head challenge in an alliance format. Sponsorship request forms are due annually by October 15<sup>th</sup> for the next competition season.

**Existing Team Sponsorship:** Public middle or high schools in the MBC service area with an existing FTC team are eligible for annual sponsorship from MBC. Each team receives \$1,500 a year to cover the costs of team registration, entry for two events and the kit of parts. Requirements for existing team sponsorship include:

- Funding provided by this grant must be used in its entirety to develop the FTC team at the location specified
- School division must sign memorandum of understanding to agree to fund and otherwise continue to support the FTC team for a minimum of 2 full years/seasons
- Team must participate in at least one tournament during each FTC season
- Team must complete a survey provided by the SVRTC after build season and competitions

**New Team Sponsorship:** Public middle or high schools in the MBC service area wanting to start a new ("rookie") FTC team are eligible in their first year to receive the \$1,500 annual sponsorship plus up to \$500 in additional funds as a dollar-to-dollar match for their fundraising efforts. Requirements for new team sponsorship include:

- School must not have had an FTC or FRC team during the year prior to receiving this grant
- Funding provided by this grant must be used in its entirety to create and develop a new FTC team at the location specified
- School division must sign memorandum of understanding to agree to fund and otherwise continue to support the new FTC team for a minimum of 2 full years/seasons
- New team must participate in at least one tournament during each FTC season
- Team must complete a survey provided by the SVRTC after build season and competitions

For guidance on creating a new FTC team, please visit [www.firstinspires.org/robotics/ftc/start-a-team](http://www.firstinspires.org/robotics/ftc/start-a-team)
